

<Definition of Organizer> This exhibition is organized by Food Chemical News Co., Ltd. (organizer).

This exhibition will feature an exhibition and organizer seminars organized by the organizer, as well as exhibitor presentations organized by the participating companies.

<Purpose of Use of Personal Information> The organizers of this exhibition will use collected personal information for the following purposes:

- Providing registration services for organizer seminars held at this exhibition
- Providing information about the free advance registration service offered at this exhibition
- Inquiries to exhibitors (if requested)
- Providing information deemed useful to customers, such as our magazines, books, events, and seminars, via direct mail, email, etc.

<Regarding Provision to Third Parties> The organizers and co-organizers will not disclose or provide collected personal information to third parties without your consent. However, if you request advance inquiries or advance appointment services with a specific exhibitor at this exhibition, we will provide that exhibitor with the details of your request and personal information (limited to business card information) deemed necessary for contacting that exhibitor in order to achieve that purpose.

<Handling of personal information collected by exhibitors and presenting companies> The handling of personal information collected at each exhibitor's booth, and the handling of personal information when participating in an exhibitor presentation hosted by a presenting company, will be left to the handling policies of each exhibitor or presenting company. The organizers and co-organizers will not be held responsible for such handling.

<Regarding disclosure/correction/deletion of personal information> The organizers and co-organizers will manage your personal information collected at this exhibition, keeping it accurate and up-to-date. If you request it, we will disclose your registered information. Furthermore, if you notify us that the information is inaccurate, we will add, change, correct, or delete the registered information as necessary. However, please note that if you delete your registered information, we may be unable to provide you with certain services.

<Contact for inquiries regarding disclosure, correction, deletion, etc. of registered information>
